The screenshot shows the Skype web interface in a browser window. The address bar displays 'https://web.skype.com'. The left sidebar contains navigation options: 'Chats', 'Calls', 'Contacts', and 'Notifications'. Below these are 'RECENT CHATS' with a list of chat entries including names like 'Skype', 'Luis', 'Roger Rodriguez via Skype', 'Celia M', 'Skype window', 'Luis', 'Skype Web, Skype, Rebecca...', and 'Cambridge Video'. The main content area features a large blue tie icon and the text 'Welcome, Skaip.Org'. Below the icon is a text input field with the placeholder 'Tell your friends what you're up to' and a pencil icon. A prominent black button with white text says 'Start a conversation'. Underneath, it says 'Search for someone to start chatting with or go to Contacts to see who is available.' At the bottom of the main area, it says 'Not you? [Check account](#)'. The footer contains links for 'Download Desktop App', 'Feedback', 'Language (en-US)', 'Terms of use', 'Privacy and cookie policy', and '© 2019 Skype and/or Microsoft.'

When you could finally call the other person the quality is so bad that I have to push the speakers literally to my ear to hear what wird.. You see this instead However Skype is a great advantage against some other apps that you have the opportunity to choose from an in-app purchase to connect not only with other Skype users together but also to send messages and call all mobile and landlines all over the world.. Skype-to-Skype calls to other users are free while calls to landlines and cell phones are charged over traditional telephone networks via a debit-based user account system called Skype Credit.. If you install Skype for Business you know that you own Office 365 ProPlus because you do not see an option to install Skype for Business itself.. For Skype for Business Server client licenses are available through the standalone client with Office Pro Plus or by downloading the free Skype for Business Basic client.
